

## Looking for Tuition?

We're delighted you're interested in tuition! We help students young and old achieve their full potential by providing a supportive and encouraging environment.

### Who are you?

Tutor In A Box is an award-winning education company which makes learning fun! All our tuition is very positive, engaging and interactive. It's all about teaching the methods and materials in a way students remember - and feel good about. We are award-winning tutors and take pride in the work we do, and ensure every student gets the individual support they need to excel.

### How do you work?

All our tuition is held online remotely through a platform called Zoom. You can see and hear the tutor (as you would in real life) and there is nothing to download or install. The lessons are held in real time with a real person so you can ask questions, write on the whiteboard and vote in polls!

### Are your tutors qualified?

All our tutors are fully qualified – having completed the Qualified Tutors course ran by Julia Silver BA, QTS, NPQH. Additionally the vast majority of our tutors are qualified teachers with many working as examiners. Everyone is working towards or has an appropriate degree and holds a full clean DBS certificate.

### How much do you charge?

Tuition starts from £25 per half an hour or £35 per hour for 1-1 tuition. This time is solely for your child, meaning they can get tailored 1-1 help and support according to their individual needs. For a more affordable option, we provide group tuition classes which are £12.50 per week.

### What availability do you have?

We tutor evenings, weekends and during the day. Please put your preferred time and day in the comments section of your order and we'll do our best to arrange this! During your taster session you'll get the chance to chat about weekly availability.

### How do I book?

Simply visit [www.tutorinabox.co.uk/product/tutoring-taster](http://www.tutorinabox.co.uk/product/tutoring-taster) to book your initial session.
